Brick Series

LUXSTONE - Bricks have a unique shape, size and colour. They replicate like the original hand moulded bricks. Previously hand moulded bricks were actually shaped by hands, but now our workmanship allows us to produce this typical hand moulded imitative bricks with the most modern equipments and technologies. LUXSTONE - Bricks come in vivid colours, irregular surfaces, varied hues and sandy veins.

LUXTURE® ABSTRACT

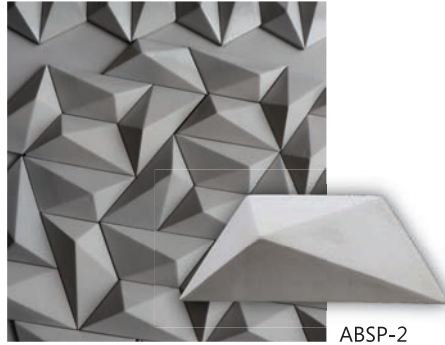

The Wall Art

Luxture's Abstract Wall Art is a collection of nesting sculptural tiles casting from concrete. Cast reimagines concrete as flowing and gentle. Capturing the magic of the toy we all loved as kids the Kaleidoscope 3D Concrete Sculptural Tiles mimic the interaction of pattern and shape creating a living wall that seems to move and change right in front of your eyes.

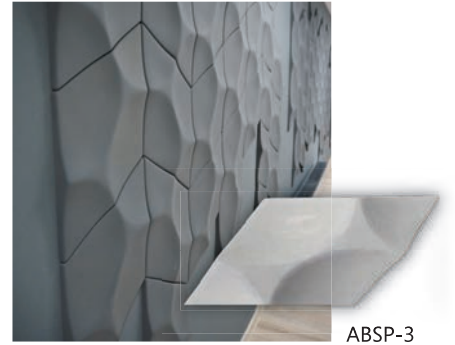

- Made up of light weight aggregate
- For indoor and outdoor installation
- Can be installed dry or with Luxture's tile adhesive
- Can be painted with colour of your choice
