### TURKISH BRICK

70 X 220 X 15 2mm

### GEORGIAN BRICK

229 X 75 X 13 2mm

# INTRODUCTION

Luxture Surface Coatings Pvt. Ltd., an ISO 9001-2015 certified company engaged in building beautification and restoration, was incorporated in the year 2003 with a vision to become a leader in this segment and offer customized solutions to its client to achieve their expectation.

We are managed by a team of professionals and technocrats having a vast experience and specialization in this segment. We as a group also take the pride in creating enduring values through sustainability. We strongly believe in connecting our core capabilities to provide optimal customer satisfaction.

Over the past decade we have built our presence throughout the nation and offered one of the most comprehensive products platforms ranging from designer and decorative coatings, functional coatings, stamped concrete, manufactured stone veneers etc., and have covered millions of square meters which is standing fresh and charm fully against all odours and external weather calamities.

All this could have been possible because of the inherent values of dedication, commitment, trust, responsibility, quality assurance, services and customizations as per architects and customers need that have shaped the organization through a decade.

## **LUXSTONE - Bricks series**

In continuation of our various offerings, here we bring to you the stylish and comprehensive portfolio of LUXSTONE –Bricks. The unmatched perfection, the high quality, the unmistakable craftsmanship, the years of experience and the use of up-to-date technology guarantees the success of LUXSTONE –Bricks.

LUXSTONE –Bricks are made up of cement concrete. The raw materials are best in quality, major part we use is the recycled products, and the manufacturing process is environment friendly. We believe in investing in innovative products respecting nature and human life.

We offer an extensive range of cladding bricks in different sizes and colours. Whether you like modern style or classical elegance the LUXSTONE –Bricks are suitable to achieve the decorum by gluing with thin mortar.

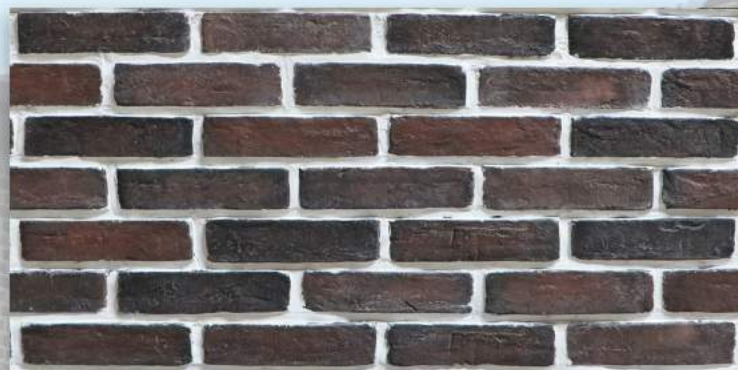

We offer high quality professional service to all our customers and can assist you in all phases of your project, from product advice to delivery. We have a specialized team responsible for sales and exports, giving customers information on how to build and install the LUXSTONE – Bricks.
